

ENERGY CASUALTY

Arch Insurance Group | www.archinsurance.com

Arch Insurance Group's U.S. Energy's Casualty Department has the ability to write primary casualty, as well as excess and umbrella business for firms in the mining, independent power, onshore and offshore oil and gas, chemical and petrochemical, pulp & paper and the steel industries. Through careful assessment of risks, we have the ability to tailor coverage to the specific segments of the energy industry in all casualty lines.
