

CRIME/FIDELITY INSURANCE

To help private equity and venture capital firms protect against occupational fraud and theft, Arch Insurance Group anchors its solution on Form 14 from the Financial Institution Standard Surety and Fidelity Association of America.

Our team of highly experienced underwriters has extensive experience in evaluating these types of risks. Our underwriters evaluate and analyze the risk factors for each account and tailor our underwriting approach and solution for the specific exposures of each firm. We also write excess fidelity programs on a follow-form basis.
