

**One person empowered to
make many decisions is more powerful
than ten people overseeing one.**

It was a sentiment echoed again and again by agents and brokers. Layers of executives do little more than drive up costs and slow down turnaround. So we cut them away. By hiring the best and empowering them to make decisions, our clients get fast response. They look good and, we hope, call us again. Rocket science? No, just good business.

FRESH. THINKING.  **Arch**
