

ARCH CORPORATE CANOPY

Arch Insurance Group | www.archinsurance.com

In today's legal and economic environment, every private company must act responsibly and prudently to protect its directors, officers, employees and fiduciaries.

To meet the changing needs of the market, Arch Insurance Group has developed a highly competitive multi-coverage policy which is further enhanced by a new comprehensive suite of endorsements. This policy offers D&O, EPL, Fiduciary, Crime and Kidnap & Ransom coverage with separate or shared limits.

Our team of underwriting professionals has extensive experience in evaluating these types of risks. We review and analyze the risk exposures for each account and tailor our underwriting approach and solution for the specific exposures of each individual insured.
