

**John S. Edack**  
Senior Executive Vice President  
Casualty  
Arch Insurance Group

### **Career History**

John Edack is Senior Executive Vice President of the Casualty division. In this capacity, he oversees the Specialty, Excess, Railroad, and Energy Casualty units.

Prior to this role, Mr. Edack spent his first six years at Arch as Regional Executive Vice President, Western Region; he joined Arch in 2002. He was later promoted in 2007 to Chief Regional Officer, giving him the additional responsibility to head all regions in the United States –Northern, Southern, Central, in addition to Western.

With over 25 years in the insurance industry, Mr. Edack served in a variety of underwriting and management positions at ACE USA/Westchester Specialty Group, Industrial Underwriters, AIG and Chubb Corporation. Before joining Arch, he served as Senior Vice President of the Casualty Division at ACE USA/Westchester Specialty Group with responsibility for managing the company's Excess and Primary Casualty lines of business. Prior to ACE, he worked at Industrial Underwriters as Vice President of the Excess Liability Division. Mr. Edack is frequently a source for industry media and in particular, for his expertise in E & S lines.
